Thank you for your feedback it really helps us understand how we can improve your school for you. We aim to have 100% positive responses and will continue to strive to achieve this.

There are actions that we have already started to put in place in response to your feedback. For example, Year 5 are getting a class set of new chairs, sorry but sofas were too expensive!

PE was the top favourite subject– well done Mrs Clarke. It is great to see such enthusiasm in the lacrosse sessions. Math's was a close second – great to hear such positive feedback about our new Power Math's scheme.

Remember you don't have to wait for a questionnaire to have your ideas heard you can let your Class Council representatives know so they can report back to the Pupil Council.
