

English

We will use the Talk 4 Writing portal story 'Elf Road' to learn about writing a detailed setting. We will write a recount about a trip, using the Talk 4 Writing story 'Poppy's Diary' and write poetry about different colours.

Art/DT

In DT, we will be looking at when and where food grows and making a healthy snack.

Maths

We will start Year 3 Power Maths by looking at place value up to 1,000 and starting to learn addition and subtraction methods. We will also recap our 2, 5 and 10 times tables.

Science

We will learn about rocks: the three different types of rocks and how they are formed; how to compare and group different rocks based on their properties; and how soils and fossils link to rocks.

Autumn Term 1 2023

RE

We will learn about Christian beliefs, such as the Holy Trinity and Communion.

French

We will learn how to introduce ourselves, use appropriate greetings and discuss our mood.

PE

We will explore invasion games, with a focus on lacrosse, with a coach on Mondays and will explore outdoor and adventurous activities like orienteering with Mr Hyde on Fridays.

Please ensure your child has the correct PE kit of navy shorts / jogging bottoms, a white T-shirt and plain black trainers.

History

We will find out about changes in Britain from the Stone Age to the Iron Age while also developing our historical knowledge of terms like AD, BC and prehistory.

Music

We will learn how different written symbols tell musicians different things, and how music unites us.

PSHE: 'Family and Relationships'

We will explore differences in families.

Computing

We will learn how networks connect to the internet so that data can be accessed.
