

English

We will write a non-chronological revolving around research into mythical creatures, particularly Unicorns. This term's poetry will be based on My Secret by Pie Corbett.

Art/DT

In Art, we will transform 2D card shapes into three-dimensional structures and sculptures.

Maths

Please keep practising the times tables we now know (2, 5, 10, 3, 4, 8). We will learn about unit and non unit fractions and compare and order them before moving on to mass and capacity.

Science

We will complete our work on animals, including humans, learning about how skeletons and muscles are used for support, protection and movement.

RE

We will learn about elements of Islam, such as beliefs about Allah and how to treat others.

Geography

Our geography will focus on Antarctica and we will find out about the climate as well as the people who live there.

PE

We will develop our understanding of attacking and invading in football. Our gymnastics learning will be to sequence balancing, rolling and jumping skills.

French

We will learn how to name our classroom equipment, animals and their habitats in French.

Music

We will learn different musical styles.

Computing

We will learn about different databases and how these can be represented visually.

PSHE: 'Citizenship'

We will explore our rights and responsibilities as well as finding out about rules and democracy. We will also find out about local communities and charities.
