

English

We will write a meeting story based on the Talk 4 Writing story 'Poppy, Waldo and the Giant', using the characterisation toolkit. We will look at how to write observation poetry.

Art/DT

In DT, we will construct a castle and learn how structures are formed.

Maths

Please keep practising the times tables we now know (2, 5, 10, 3, 4, 8). We will learn about mass and capacity, then recap fractions and learn how to use money and aspects of telling the time.

Science

We will learn different aspects of plants as organisms through investigations, such as identifying the parts of plants and their purposes.

RE

We will learn about elements of Hinduism, such as their main deities and where they worship.

History

We will investigate Ancient Egypt and how historians learn about mummies, tombs and pyramids by exploring the past. We will find out about the pharaohs, including Tutankhamun!

PE

We will play golf on **Mondays** and explore aspects of athletics on **Tuesdays**.

Please ensure your child has the correct PE kit of navy shorts / jogging bottoms, a white T-shirt and plain black trainers.

French

We will learn how to count to twenty in French, then use that to talk about our age and play French playground games.

Music

We will learn about the structure of songs and how to use that to improvise appropriately.

Computing

We will learn about how the internal and external parts of a computer work together.

PSHE: 'Citizenship'

We will explore our rights and responsibilities as well as finding out about rules and democracy. We will also find out about local communities and charities.
