

English

We will write an explanation text incorporating all our knowledge of sentence types and ways to link and sequence our writing. We will then write a narrative story.

Art/DT

In Art we will be exploring sculptures and 3D shapes

Maths

Please keep practising the times tables we now know (2, 5, 10, 3, 4, 8). This term, we will learn about time, angles and properties of shape and statistics.

Science

We will be looking at Light this half term, understanding that we need light to see, what materials absorb and reflect light, why light from the Sun can be dangerous and how shadows are formed.

RE

We will continue to learn about Hinduism, including how Hindus pray and their important symbols.

Geography

We will be studying different settlements, how they have changed over time and looking at the difference between rural and urban developments.

PE

We will play basketball on Mondays and explore how to play tennis on Tuesdays.

Please ensure your child has the correct PE kit of navy shorts / jogging bottoms, a white T-shirt and plain black trainers.

French

We will revisit learning from over the year: how to greet someone, counting, adjectives to describe and classroom objects.

Music

We will continue to work with Lincs Music Service to learn how to play different instruments.

Computing

We will find out how to stay safe by understanding private information, identifying fake news and learning how to handle upsetting content.

PSHE: 'Economic Wellbeing

We will learn how to handle money through different payment methods, budgeting and how money makes us feel, then consider different careers to earn money.
