

Autumn 2 curriculum newsletter

English

During our English lessons this half term we will begin with working on a Talk for Writing Unit called 'The Stone Trolls'. We will explore this warning tale and build up different skills to be able to write our own. We will then move on to writing a non-chronological report.

Maths

In maths this half term, we will be continuing to work on addition and subtraction. Following this, we will work on calculating area. We will also begin our learning on multiplication and division.

Science

In our science lessons we will be studying animals including humans. We will be learning to describe functions of the digestive system and identifying different types of teeth. We will also be learning to construct and interpret a variety of food chains.

DT

This half term we will be learning how to produce a range of free-standing frame structures. We will also design a pavilion by choosing appropriate materials and construction techniques to create a stable structure.

Music

This half term we will be exploring feelings when you play and how the sounds that we hear in music can also help to communicate specific moods.

Year 4 – Autumn 2

PSHE

In PSHE this half term we will continue to learn about family and relationships. We will also focus on health and well-being.

Computing

In computing this half term, the children will learn about programming using Scratch.

RE

In RE we will be exploring different denominations of Christianity focusing on Pentecostal and Anglican. We will also learn about the importance of communal events including baptism and the ways in which this helps to build a sense of community.

French

In our French lessons we will be working on a unit all about getting dressed in French.

Geography

This half term we will be exploring why rainforests are important to us. The children will be studying the Amazon rainforest and will investigate physical features, consider how plants adapt to these conditions and learn about people who live in the rainforest.

PE

PE will be on Mondays and Thursdays.

Mondays will be gymnastics.

Thursdays will be football.
