

Thursday 27th April 2023

Dear JOSO's

I would like to thank you all very much for your hard work and efforts in helping us to use the internet safely. The way in which people use the internet is ever changing and new things come out all the time, so it is important for us all to have access to up-to-date information to give us a better understanding. You are all doing such a great job by working together and promoting online safety. The regular information sent out to parents is very useful and will go a long way in teaching parents and children how to stay safe online as much as we can.

Keep up the great work!

Best wishes,

Mrs Marshall
