Dear Environment Agency,

We are writing to say a huge thank you for all your help and support with our outside areas. We are really looking forward to seeing the new grass grow, we have just had a look and noticed it has already started sprouting!

The reshaped archway is great and we love the new stepping stones and the noughts and crosses table.

KS1 are really enjoying the new mud kitchen and we also have some plans to add some big rocks to the quiet area.

We are really interested to see which insects are going to enjoy staying at the bug hotel.

Thank you again,

Morton Trentside Pupil Council
