

Thursday 27th April 2023

Dear Sports Crew,

Thank you all very much for your hard work and enthusiasm in providing and running activities for pupils during lunch times. Being a member of Sports Crew is such an important role and I know that you are all doing a fantastic job. Your fellow pupils will appreciate all your hard work in making sure that plenty of activities are available, and it is wonderful that you help make play times much more enjoyable. Your efforts also provide the opportunity for exercise which is great for learning and wellbeing.

Your report shows that you are working well as a team, and that the rota is helping to ensure that you all take part in setting up different activities and being on hand to offer help and support to the other children. Good luck with the recruiting for extra members!

Keep up the great work!

Best wishes,

Mrs Marshall
