

**Morton Trentside Primary School
Pupil Voice Report to Governors**

Pupil Voice Group: Sports Crew

Date: 09/03/2023

Lead Adult: Mrs. Clarke

What we have done this term:

We have organised a rota so two of us at a time set up equipment on the big playground.

We set up a variety of activities and also make sure that the equipment is packed away and that the shed is tidy. We have been working with Miss. Turner and Mr. Denton.

What we plan to do next:

Start working with Miss. Spence and Mrs. Bainborough who are taking over the big playground.

We are going to use the rota and whoever is on duty is going to stay on the big playground and help run the activities, referee things like dodgeball and hockey.

We are going to recruit three more Sports Crew members so that we can share the job a bit more. This is a photo of us running dodgeball at lunchtime.
