

Monday 21st March 2022

Dear Sports Crew,

Thank you so much for your wonderful report outlining all of the hard work you've been doing over the course of the last term. I am very happy to be the link Governor for your area and look forward to being able to visit you in person in the near future to talk about all of your exciting plans and projects!

It sounds like you have all made an impressive start to your new roles and I know that your fellow pupils will be appreciating your efforts.

It is really super that you are encouraging such a range of activities at lunchtimes and equally so that you all give up your time to set these up and referee them. You are giving lots of pupils opportunities to try new things and to keep active in their free time which is something you should all be very proud of, well done.

In terms of your future plans, I think that a rota is a great idea to help you all organise and manage your time effectively as I'm sure you have lots of other commitments too. I know that your wonderful teachers would certainly appreciate your support with the Golden Mile baseline as this is always a big undertaking with all pupils participating. With regards to activity ideas, perhaps it would be useful to create a questionnaire or survey which you could use to collect ideas for activities from pupils across the different year groups in the school?

I am sure that you are all very excited to receive your Sports Crew badges in assembly if you haven't already done so and I look forward to seeing a picture of you all wearing these proudly as part of your next report.

Keep up the incredible work and I will hopefully see you all soon.

Best wishes,

A handwritten signature in black ink, appearing to be 'Mrs Lane', written over the printed name.
